

Charter School Budget Template

Instructions: Fill in the dollar amount for each account number you will be using. DO NOT change the formatting in anyway. You can add a line if there is an account not listed. Please make sure to fill in your department number and remove any X's and replace them with the correct program number. DO NOT assume that a program number will carry down. Make sure to use the correct Fund (if your school uses funds) Budgets will be returned if there is missing information or if any of the formatting has been change
