Welcome to our Weekly School Newsletter!

We are looking for chaperones for our homecoming dance tomorrow night, Saturday October 7th. We are asking chaperones to stay from 6:45 p.m. - 10:00 p.m. Please use the link in the newsletter to sign up if you can help out. Also, don't forget Parent-Teacher conferences are on Tuesday, October 17th.

Staff Spotlight

Damara Mitchell - First Grade

Hello! I am thrilled to be teaching at Two Roads again this year. Our family has been attending Two Roads-Littleton since 2010 and we love the community and support we've received. In my spare time I enjoy reading and camping with my family.

Adryan Popejoy - All things Art

Hello Everyone! This will be my 12th year at Two Roads teaching all things art! I am a mom to a 1st and 2nd grader and I live with my husband, our kids, and 12 animals (only 5 are fish!). One of my favorite things about teaching art here at Two Roads is that I get the pleasure of watching many of the students grow from first graders into incredible seniors ready to take on the world. Outside of teaching I create a lot of my own art, I enjoy playing volleyball and fantasy football, and camping throughout the U.S. trying to visit all of the National Parks.

Parent-Teacher Conferences

Parent-Teacher conferences will be held Tuesday, October 17th from 3:15 p.m. - 6:15 p.m. All teachers will be in their classrooms and conferences will be held on a first come first served basis.

Teachers have been asked to limit conferences to 10 minutes. If your student is struggling, please take this opportunity to meet with teachers. If you feel your conference will need more time, please reach out to the teacher individually to schedule a different day and time to meet.

Picture Retakes

Lifetouch will be back in the building Thursday, October 12th and Friday, October 13th from 8:00 a.m. - 9:30 a.m. each day. If you missed the first opportunity for pictures, make sure you get your picture taken on the 12th. These photos will be used in the yearbook. Pictures from our first picture day with Lifetouch have arrived, so stop by the front office to pick them up.

Attention 6th Grade Students - Outdoor Lab

April may seem so far away, but it's already time to start thinking and planning for our 6th grade Outdoor Lab adventure! Our Outdoor Lab dates for this Spring are *April 1-4* at Camp IdRaHaJe. This adventure is a great opportunity for our 6th grade homeschool students. We feel that the experience is too important to miss! Please click on the link below, read the letter for more information and sign-up using the registration link.

Family Service Hours

Thank you to those who have stepped up! It is great having you on campus! Please don't forget to sign in at the front office when you are on campus. We were hoping that the reduction in family service hours this year would encourage more parents and grandparents to help out. We truly love having you in the building and have a variety of opportunities. We would also love to see parents host after school clubs or activities, so reach out to Mrs. Donow if you are interested.

Pumpkin Decorating Contest - Elementary

This is at least our 13th year decorating pumpkins! Elementary students are encouraged to bring in a decorated (not carved) pumpkin on Friday, October 27th to be entered into the competition. Be creative, decorating with paint, feathers, pom poms, construction paper, etc... Winners will be based on who made the most creative and original pumpkin! Students should bring their pumpkins with them to school in the morning.

Schoology Help

If you or your child are struggling with Schoology, please contact your child's teacher or the front desk. We also have Schoology Help on our website: https://tworoads.jeffcopublicschools.org/family/schoology_help

Two Roads is a Homeschool Partnership

Our goal in partnering with you as the primary educator is to provide students with learning opportunities to enhance their overall educational profile. In each class here at Two Roads we provide students with multiple opportunities to practice their learning before being asked to demonstrate mastery of the content. Part of that process includes continuing their learning at home through a variety of projects, reading, reflective responses, etc. The teacher presents new material each week in class and students are expected to complete coursework at home throughout each week. While it is the responsibility of the student to plan and complete work each week, parents are required to oversee the work of the student and not depend solely on in-class instruction to achieve mastery. Consistency in attendance and in completion of coursework in and out of class is crucial. Assignments are all listed in Schoology. If your student needs assistance with Schoology, please have them ask a teacher or stop by the front office.

Please remember students who do not pass the first semester of any academic and elective classes may not be permitted to continue in that class for the second semester. If your student is struggling academically in a particular class, please contact the teacher. Our teachers have a wealth of expertise and may be able to provide suggestions on what type of resources to use at home.

Waterstone Fall Festival

We are joining in Waterstone's Fall Festival again this year Sunday, October 15th from 11:30 a.m - 2:00 p.m. Our student council will be face painting and promoting our program. Do you have artistic ability? Would you like volunteer hours to help out at our booth? If so, please copy and paste the link to see the times: [Waterstone Fall Festival Face Painting](#)
