Concurrent Enrollment Information Meetings

The Concurrent Enrollment Program in the state of Colorado is designed to facilitate a high school student's academic advancement in one or more subject areas by participating in college level coursework. Concurrent Enrollment (CE) means a student is simultaneously enrolled in Two Roads

and in one of these local community colleges: Arapahoe Community College, Front Range Community College, or Red Rocks Community College. Students entering grades 9–12 in the upcoming school year are eligible to apply for the Concurrent Enrollment program. Those approved for the CE program at Two Roads will receive high school and college credit simultaneously for the college classes approved and successfully completed. Two Roads awards one high school credit for each semester-long community college class completed. Grades, however, are not weighted on the high school transcript. A four-point grading scale is used for all classes, high school and college level.

Two Roads believes that the high school experience is important. It is not necessarily appropriate or always possible to jump into college courses early in high school. Therefore, we have set some limitations in what we will permit underclassmen to take at the college. We will approve very few, if any, rising ninth grade students each year.

If you are interested in attending college courses and applying for CE you must have a parent attend one of the following meetings: *(Current CE students do not need to attend.)*

- Thursday, January 25th @ 2:15 p.m.
- Tuesday, January 30th @ 2:15 p.m.

Elementary Reading BINGO

As homeschool families, you do a lot of reading at home. The Reading BINGO is an individual reading challenge. It is not required, but a fun way for students to show how much reading they do each month and encourages them to try out new topics and explore new authors. Books can be read independently, or by a parent, sibling, etc. Students may also read aloud to their favorite pet or stuffed animal. Each month the Reading BINGO sheet will be given to students at school.

- BINGO (vertical, horizontal, diagonal and even a black out counts) must be completed.
- Must have the student's name.
- Must be signed by a parent or guardian.
- Turn in your BINGO sheet by the due date listed at the top to be eligible for a prize. (The last Friday of each month.)

Parent Coffee

This month's Parent Coffee is focused on helping you create a 4 year plan for your student's high school years. Come join us on Thursday, January 25th at 8:00 a.m. (time change from the originally posted 2:00 p.m.) to learn more!

Pre-Arranged Absence Forms

Is your family planning to be out for a vacation or for an absence longer than one day? If so, please complete the pre-arranged absence form. Students are expected to communicate with teachers at least 3 days prior to their absence so teachers have time to collect any materials necessary for students to complete work while away.

Tardiness & Attendance

Families please remember that it takes a few minutes to get upstairs and settle before the bell rings at 8 a.m.

While we understand that sometimes we all run late, we want to continue to encourage students to be on time.

Our attendance line is the same as our front office phone number. If you need to contact the Littleton front office for any reason, our phone number is **720-425-6163**.

Two Roads Arvada Recognized for our 100% Graduation Rate

Two Roads has been recognized by Jeffco (see article posted on January 9th that follows) for being only one of three high schools to have a 100% graduation rate in the 22-23 school year. We are proud of the work we do with our seniors!

Students Graduate at a Rate of 90% or Higher

Jeffco High Schools Graduate Students at a Rate of 90% or Higher

Posted on 01/09/2024

Dakota Ridge graduates celebrate at Red Rocks during a graduation ceremony in 2022.

A dozen of Jeffco's comprehensive high schools and seven of its charter schools graduated students at a rate of 90% or higher in the 2022-23 school year. **Particular highlights include Evergreen, Addenbrooke, and Two Roads, which graduated 100% of their students.**

Jeffco schools with a 95% or greater graduation rate for the Class of 2023 include:

- 98% Conifer High School and Jefferson Academy High School
- 96% Chatfield High School and Green Mountain High School
- 95% Dakota Ridge High School

Jeffco also saw a significant increase of 17% (69% to 86%) in the graduation rate for its American Indian/Alaskan Native students across the district.

For the sixth year in a row, as a whole, Jeffco Public Schools' on-time graduation rates outpaced the state average, according to the most recent data provided to the [Colorado Department of Education](#). Jeffco's graduation rate for the class of 2023 is 85%. The dropout rate for Jeffco Public Schools' class of 2023 is 1.5%, which is lower than the state average of 2.1%.

"Our bold district vision is that Jeffco students will achieve their biggest dreams and graduation is a foundational step toward that for every student," said Jeffco Public Schools Superintendent Tracy Dorland. "We are proud of how our community—educators, staff, school leaders, families, and community partners—is working together with Jeffco students to ensure they reach this important milestone in their lives. As a district, we are focused on a multi-pronged approach for getting 100% of students to the finish line, which includes our exciting work to reimagine the high school experience in Jeffco."
