Mr. Aragon has graciously offered to take the position for the rest of the school year. He is passionate about both fitness and our students. He works out regularly with his own grandchildren and has some great ideas to implement. Mrs. Rowland will return to fill the front office position and we are thrilled she was available to help us out.

Family Service Hours

We really rely on your assistance! Right now our biggest need is for kitchen clean-up from 2-3 p.m. Tuesday and Thursday. Our culinary students are cooking fast and furiously and while they have clean-up duties, there is room for improvement. Please reach out to Mrs. Donow if you can assist with kitchen clean-up or any other responsibilities. Thank you!

Food & Drink

Please remind students that food and drinks are not allowed in the classroom. Students are allowed and encouraged to have water with them at all times. Thank you for your cooperation.

AmeriTowne

Our annual field trip to Ameritowne is coming up on Monday, March 11, 2024 from 10 a.m.-2 p.m. We have some extra slots available for students who are not currently in an Ameritowne class. Students must be in grades 4-8 (9-14 years) to participate. It is highly recommended that students who have already participated in Ameritowne sign-up again. It is a different experience each time. There is a mandatory student training day at Waterstone on Wednesday, March 6, 2024. Please submit the registration form and \$25 fee to the front desk by January 26, 2024. If you have questions, please contact Mrs. Krebs cynthia.krebs@jeffco.k12.co.us.

Concurrent Enrollment Information Meetings

The Concurrent Enrollment Program in the state of Colorado is designed to facilitate a high school student's academic advancement in one or more subject areas by participating in college level coursework. Concurrent Enrollment (CE) means a student is simultaneously enrolled in Two Roads and in one of these local community colleges: Arapahoe Community College, Front Range Community College, or Red Rocks Community College. Students entering grades 9-12 in the upcoming school year are eligible to apply for the Concurrent Enrollment program. Those approved for the CE program at Two Roads will receive high school and college credit simultaneously for the college classes approved and

successfully completed. Two Roads awards one high school credit for each semester-long community college class completed. Grades, however, are not weighted on the high school transcript. A four-point grading scale is used for all classes, high school and college level.

Two Roads believes that the high school experience is important. It is not necessarily appropriate or always possible to jump into college courses early in high school. Therefore, we have set some limitations in what we will permit underclassmen to take at the college. We will approve very few, if any, rising ninth grade students each year. If you are interested in attending college courses and applying for CE you must have a parent attend a meeting. Our last scheduled meeting is:

- Tuesday, January 30th @ 2:15 p.m.

1st Semester Honor Roll

Congratulations to our students who made the Honor Roll for the first semester! We are proud of your academic achievements and hard work. The Honor Roll Assembly was held on Thursday, January 11th.

Silver 3.75-3.99

Pre-Arranged Absence Forms

Is your family planning to be out for a vacation or for an absence longer than one day? If so, please complete the pre-arranged absence form. Students are expected to communicate with teachers at least 3 days prior to their absence so teachers have time to collect any materials necessary for students to complete work while away.
